Victory!! We are **NOT** **REMOVED** from the **PHSDSBC**

Following our previous Newsflash that NUPSAW, together with other SAFTU unions, were removed from the Public Health and Social Development Sectoral Bargaining Council (PHSDSBC) for allegedly misrepresenting our membership, we are now happy to report that NEHAWU has swallowed their pride and move that the item on Verification of Membership in the PHSDSBC be removed permanently from the agenda of the Council and that they will declare a dispute instead.

We were supported by PSA and DENOSA and the Employer suddenly distanced themselves from the matter.

It was not surprising of the Employer, but it was expected that they did not want the humiliation suffered by NEHAWU. We now expect the General Secretary of the PHSDSBC to reinstate his letter of the 18 June 2018 wherein he admitted NUPSAW acting together with the SAFTU unions.

NEHAWU has since referred a frivolous and vexatious dispute in this regard to the Council.

Thanks for all the support this far.

Success Mataitsane

NUPSAW General Secretary
